I lost my head halfway through the year  
Succumbed to all my deepest, darkest fears  
Paranoid and heading towards the edge  
Gonna go over it soon

And then you told me  
Everything's all right  
Well I really wish it was

Heading downhill faster than before  
Don't know what I'm gonna have in store  
Cliched but it's true and I'm concerned  
About the future coming on

And then you told me  
Everything's all right  
Well I really wish it was

Consumed by emotion  
Claustrophobic in my mind  
Cataclysmic moments  
Going nowhere way too fast

And I want to change  
And I want to live  
But it just seems too late to care

Consumed by emotion  
Claustrophobic in my mind  
Cataclysmic moments  
Going nowhere way too fast  
Consumed by emotion  
Claustrophobic in my mind  
Cataclysmic moments  
Going nowhere way too fast
