Wake up in the face of a rotting corpse  
Cover your life in 500 tons of make up  
Make up, make up, make up face  
Made up, made up, made up world  
Swallow down your 15 minutes of fame  
Bleed your life through the sounds of a displeased  
moan  
Five hundred thousand sad, sad men  
Five hundred thousand, saw your true face you fuck

Bitch you're spoiled and fuckin' fake  
So goddamn ugly  
Bitch you're uselessly disposable  
Just so spoiled and ugly

Shake hands with a dose of celebrated shame  
Wake up with a mouthfull of society  
Wipe off, wipe off, wipe off your lie  
Wake up, wake up, wake up and die  
I.Q. in the single digits  
So you think you're a mother fucking genius?  
You don't, you don't, don't know shit  
Fake bitch, fake bitch, you are a FAKE BITCH

Bitch you're spoiled and fuckin' fake  
So goddamn ugly  
Bitch you're uselessly disposable  
Just so spoiled and ugly

Ugly and spoiled  
Spoiled and ugly  
Ugly and spoiled  
Covered in shame
