She was a phantom in the night sky
I was the drive by victim of her semi-auto ma ma ma
ma matic rifle
She took a bite full of my heart
And when I strike back ooo it's so delightful
White gold cherry top slim vanilla cone
I could taste the whiskey caramel flowin through her
bones
Smooth toned up legs like rum but when daylight come
they're gone

She could've been something I could roll with
Share a bed, a life, and a soul with
She could've been one to call my own
But daylight come and she wanna go home
Dayo dayo ohoh ohoh
Daylight come and she wanna go home

I wake up, no luck, still fucked up in the lobby
My cinderella's disappeared from on top of me
I'm tryna recap but my memory's choppy
Too many jello jiggle shots with bill cosby
She left me all alone
I got no number and no slipper but we took a picture on
my phone
Ahem, scuse me anybody got intel on this girl?
Cuz if we don't I'll have to post some flyers up around
the world cuz

She could've been something I could roll with
Share a bed, a life, and a soul with
She could've been one to call my own
But daylight come and she wanna go home
I'd get to know a little more about her
And maybe I just couldn't live without her
She could've been what I'll never know
Cuz daylight come and she wanna go home
Dayo dayo ohoh ohoh
Daylight come and she wanna go home
Dayo dayo ohoh ohoh
Daylight come and she wanna go home

I didn't even have a chance as her pants came up
She was down, out, gone like wings on a cheetah
Nice to meet ya, wish I could tweet ya that I had a blast
Maybe I could take you out and feed ya
But I really dropped the needle in the haystack
Got your body in my brain on playback
Smooth toned up legs like rum but when daylight come
they're gone
She was a phantom
