Alone I lay,
wiping the tears away
and it's not my fault
you caused this pain
that I'm feeling today
and it's not that fair

God told me
it's my destiny
to die this way
and have to take the pain
no turning back
this has gone too far
the rope takes slack
I'm not hearing anything
I've lost my way
and I can't hear
a single word you say

[Chorus]
35 seconds, I'll be gone
35 seconds, tell someone
35 seconds, why won't someone care

(...it's your fault I'm...)

God told me
all possessions
have been stripped from me
I don't deserve a thing
why me now
I'm not all that bad
It hurts deep down
I'm not feeling anything
I've lost my way
and I can't hear
a single word you say

35 seconds, I'll be gone
35 seconds, tell someone
35 seconds, why won't someone care

(...it's your fault I'm here...)

[Bridge]

you left me here
alone to die
you won't believe the things I tried
I can't take this
there's no more time
won't you believe I've lost my
fear, fear, fear x4

count to

[Chorus]

(...it's your fault I'm...)

35 seconds x5
why won't someone care!
