In a world full of strangers as it always seems to be
One defines a simple way to you
There in time, when it seemed there was nothing left inside
Ever be when you stand up,. (I was terrified)
No one you've seen like a thief in the night
To leave… you, he found you

In a world full of fallen trees and sacred, lullabies
One well spoken god, He was there
Everyone know you're trying, let it flow, let it be
life's so brief, it won't set it free
and now you? now i've you

There in time, when it seemed there was nothing left inside
Ever be when you stand up,. (I was terrified)
No one you've seen like a thief in the night
To leave and you, he found you

Everything I ever said to you I always meant
Everything I ever did with you I always felt
Everything you ever wanted I tried to give
Everything you ever taught me I tried to live
