NO TURNING BACK

Words & Music by Graham Bronczyk, Steve Trayner & Andrew Simila

VERSE 1:

True love that was given to us
Poured out from the Father and Son
New life You have given to all
So we're bringing it back to You

VERSE 2:

Change came when You opened my eyes Took death
and You threw it aside A new day shining ever and
bright What a hope we have found in You

PRE CHORUS:

And life wouldn't be the same without You
No it couldn't be the same without You
This heart wouldn't beat without You oh Lord

CHORUS:

We are not gonna stand
For living without You
Not gonna stop
Til the world is about You
Not going back
To living without You Lord

And as our praises rise
The walls come down
We are now gonna stand
For eternity with You Lord

BRIDGE:

Jesus Christ I pledge my life
Unashamed of perfect love
I stand to say You reign

Jesus Christ I pledge my life
Unashamed of perfect love
I stand to say You save, You save
