Verse 1

Look In To These Eyes
Hold On To These Hands
Believe In This Heartbeat
Though You're Afraid That I Might Break
Just Hold On
Shadows Only Haunt You
When Darkness Crowds Your Heart
So Let The Light Of My Love Shine Bright

Chorus

When I Cry It's For The Lonely
When I Pray It's For The Lost And Stray
When I Love Like There's No Tomorrow
No More Words To Say
It's For You

Verse 2

Look Straight Ahead
Hold On To Your Dreams
Believe In This Magic
Open Your Eyes
Open Your Mind
And It's There
Shadows Only Haunt You
When Darkness Crowds Your Heart
So Let The Light Of My Love Shine Bright

Chorus

When I Cry It's For The Lonely
When I Pray It's For The Lost And Stray
When I Love Like There's No Tomorrow
No More Words To Say
When Shadows Haunt You
And Darkness Crowds Your Heart
Let The Light Of My Love Shine Bright

Final Chorus

When I Cry It's For The Lonely
When I Pray It's For The Lost And Stray
When I Love Like There's No Tomorrow

No More Words To Say
It's For You
It's For You
It's For You
