Take a look at the mountains  
Stretching a mile high  
Take a look at the ocean  
Far as your eye can see  
And think of Me

Take a look at the desert  
Do you feel like a grain of sand?  
I am with you wherever  
Where you go is where I am

And I'm always thinking of you  
Take a look around you  
I'm spelling it out one by one

(Chorus)  
I love you more than the sun  
And the stars that I taught how to shine  
You are mine, and you shine for me too  
I love you yesterday and today  
And tomorrow, I'll say it again and again  
I love you more

Just a face in the city  
Just a tear on a crowded street  
But you are one in a million  
And you belong to Me

And I want you to know  
That I'm not letting go  
Even when you come undone

(Chorus)  
I love you more than the sun  
And the stars that I taught how to shine  
You are mine, and you shine for me too  
I love you yesterday and today  
And tomorrow, I'll say it again and again  
I love you more  
I love you more

Shine for Me  
Shine for Me  
Shine on, shine on  
Shine for Me

(Chorus)

I love you more than the sun  
And the stars that I taught how to shine  
You are mine, and you shine for me too  
I love you yesterday and today  
And tomorrow, I'll say it again and again  
I love you more

(Chorus)

Than the sun  
And the stars that I taught how to shine  
You are mine, and you shine for me too  
I love you, yesterday and today  
Through the joy and the pain  
I'll say it again and again  
I love you more  
I love you more

And I see you  
And I made you  
And I love you more than you can imagine  
More than you can fathom  
I love you more than the sun  
And you shine for me
