I've never been much of a gambler,  
I could never stand to lose.  
Didn't know whether to bet red or black,  
It was so hard to choose.  
Made a stop in Reno.  
Got mesmerized by the city lights.  
Hit every casino, I could see in my sight.  
First roll of the dice, Snake eyes.  
Started thinkin' fast, 'bout alibis.  
Then I heard a voice, tellin' me to "Let it Ride."  
And I knew that I would win.  
With Lady Luck on my side.  
She had a mystery 'bout her.  
Something that I couldn't describe.  
There I was bettin' everything I had,  
On the sparkle in her eyes.  
I was down to my last dime.  
All I needed was a lucky seven.  
Something told me, I would win this time.  
With her, I felt like I was in heaven (chorus)  
Yes I knew I would win.

With Lady Luck on my side.
