Bee Gees - More Than A Woman

Oh, girl I've known you very well

I've seen you growing everyday

I never really looked before

but now you take my breath away.

Suddenly you're in my life

part of everything I do

you got me working day and night

just trying to keep a hold on you.

Here in your arms I found my paradise

my only chance for happiness

and if I lose you now I think I would die.

Oh say you'll always be my baby

we can make it shine, we can take forever

just a minute at a time.

Oh, oh, oh.

More than a woman, more than a woman to me

more than a woman, more than a woman to me

Oh, oh, oh.

There are stories old and true

of people so in love like you and me

and I can see myself
let history repeat itself.
Reflecting how I feel for you
thinking of those people then
I know that in a thousand years
I'd fall in love with you again.
This is the only way that we should fly
this is the only way to go
and if I lose you love I know I would die.
Oh say you'll always be my baby
we can make it shine, we can take forever
just a minute at a time.
Oh, oh, oh, oh.
More than a woman, more than a woman to me
more than a woman, more than a woman to me
(Repeat and fade)
