My emotions  
Drift away  
I think about it  
But it's alright  
It's alright  
It's alright  
It's alright

It's alright now

My emotions  
Drift away  
I think about it  
Every single day

Do I regret it  
Well I say  
That it's alright  
It's alright  
It's alright  
It's alright  
Out in space

There's a feeling that runs through your veins

One that has no time, no space  
Taking you high  
So that you can't deny it  
That's when you're in love

(Taking you high  
So that you can't deny it  
That's when you're in love)

(Taking you high  
So that you can't deny it  
That's when you're in love)  
That's when you're in love

(Taking you high  
So that you can't deny it

That's when you're in love)

(Taking you high  
So that you can't deny it  
That's when you're in love)

(Taking you high  
So that you can't deny it  
That's when you're in love)

That's when you're in love
