You get me  
If I say no, if I resist  
If I don't give in to this  
Would it be a lesson or a loss?

Suddenly I know what it's about  
Thoughts come in, and words come out  
Suddenly I'm not killing time  
It's all over now

You get me  
You get me

Like a beautiful song  
You heard a million times  
Like the rainbows end  
You can never find

You get me  
You get me

If I say yes, if I let go  
And face the consequence I'll know  
Will it lead to living with regret?

Suddenly the walls are coming down  
I won't be the same when I come around  
Suddenly I am understood  
It's all over now

You get me  
You get me

Like a crimson sunset  
Where the sky meets sea  
Like no one alive  
But lives in my dreams

You get me  
You get me  
You get me

You get me

Like a beautiful song  
You heard a million times  
Like the rainbows end  
You can never find

It's hard to ignore  
And undeniable, too  
This feeling inside  
When I look at you

You get me  
You get me
