Spend my day just runnin' 'round
Lookin' for some solid ground
Too many people everywhere
They don't know and they don't care, no

How I spend my lonely hours
Lookin' for some Eiffel Tower
I'm gonna climb up, oh, so I can see
Oh, someday and I'll be free and I'll be free

Give me a million dollar horse
That I can ride for free
I'm gonna ride him all the way
No matter where he might lead

Give me a million dollar love
That I can love for free
I'm gonna love her every day
No matter who she might be

You may not see me hanging 'round
I may not stay in this old town
Too many doorways have been closed
In my face, where's my place?

I need someone to hold my hand
Just someone who'll understand
They don't have to love me, no, just be my friend
Open up and let me in, won't you let me in?

Oh, give me a million dollar horse
That I can ride for free
I'm gonna ride him all the way
No matter where he might lead

Ooh, give me a million dollar love
That I can love for free
I'm gonna love her every day
No matter who she might be
