Life, so they say  
Is but a game and they'd let it slip away  
Love, like the autumn sun  
Should be dyin' but it's only just begun  
Like the twilight in the road up ahead  
They don't see just where we're goin'  
And all the secrets in the universe  
Whisper in our ears  
All the years that come and go  
Take us up, always up

Chorus:

We may never pass this way again [4X]

Verse 2:

Dreams, so they say  
Are for the fools and they let 'em drift away  
Peace, like the silent dove  
Should be flyin' but it's only just begun  
Like Columbus in the olden days  
We must gather all our courage  
Sail our ships out on the open seas  
Cast away our fears and  
All the years that come and go  
Take us up, always up

[repeat chorus]

(So) I wanna laugh while the laughin' is easy  
I wanna cry when it makes it worthwhile  
I may never pass this way again  
That's why I want it with you

('Cause) You make me feel like I'm more than a friend  
Like I'm the journey and you're the journey's end  
I may never pass this way again  
That's why I want it with you, baby

[repeat chorus (instrumental)]

[repeat chorus (w/vocals)]
