Windflowers

Windflowers, my father told me not to go near them,
he said he feared them always and he told me that
they carried him away

Windflowers, beautiful windflowers, I couldn't wait to
touch them,
to smell them, I held them closely and now I cannot
break away

their sweet bouquet disappears like a vapor in the
desert
so...take a warning. son.....

Windflowers....ancient windflowers their beauty
captures every
young dreamer who lingers near them
but ancient windflowers I love you
