Forever

I... surrender all my love  
And you... you make my desire. run. hot.  
Hot as the desert sands.  
Your eyes have the power to warm me like no others  
can

Falling, I keep on falling, so much deeper  
so much deeper for you

forever,forever,forever falling for you

High... we're flying so high ...tonight.  
Touch... your touch makes the passion rise strong  
strong as the mighty seas,  
I need search no more your the end of the rainbow...  
for me

Falling, I keep on falling, so much deeper  
so much deeper for you

forever,forever,forever falling for you

So come... come take my hand  
and we'll ride the wings of heaven like only we can

forever,forever,forever falling for you  
forever,forever,forever falling for you  
forever (falling & falling & falling) forever (I keep  
falling so deeply)  
forever (I guess I'm falling,falling for you) forever (I  
surrender all to you)  
forever (I surrender all my love) forever (I surrender all  
to you)  
forever....
