I'm a rolling thunder, a pouring rain
I'm comin' on like a hurricane
My lightning's flashing across the sky
You're only young but you're gonna die

I won't take no prisoners, won't spare no lives
Nobody's putting up a fight
I got my bell, I'm gonna take you to hell
I'm gonna get you, Satan get you

CHORUS:
Hell's Bells
Yeah, Hell's Bells
You got me ringing Hell's Bells
My temperature's high, Hell's Bells

I'll give you black sensations up and down your spine
If you're into evil you're a friend of mine
See my white light flashing as I split the night
'Cause if good's on the left, then I'm stickin' to the right

I won't take no prisoners, won't spare no lives
Nobody's puttin' up a fight
I got my bell, I'm gonna take you to hell
I'm gonna get you, Satan get you

CHORUS
