I LOVE IT LOUD

Stand up, you don't have to be afraid,  
get down - love is like a hurricane  
Street boy, no I never could be tamed, better believe it

Guilty 'til I'm proven innocent,  
whiplash, heavy metal accident  
Rock on, I wanna be President

cos I love it loud, I wanna hear it loud, right between  
the eyes  
Loud, I wanna hear it loud, I don't want to compromise

Turn it up, hungry for the medicine,  
two fisted to the very end  
No more treated like aliens, we're not gonna take it

No lies, no more alibis, turn it up,  
it's got me hypnotized  
Rock on, I won't be tranquilized, 'cos

chorus repeats 2x

Headlines jungle is the only rule,  
front page roar of the nation cool  
Turn it up, this is my attitude, take it or leave it
