Long Live Rock'n'roll

At the end of the dream  
If you know where I mean  
When the mist just starts to clear  
In a similar way  
At the end of today  
I could feel the sound of writing on the wall

It cries for you  
It's the least that you can do  
Like a spiral on the wind  
I can hear it screaming in my mind

Long live rock'n'roll } 3 times

In a different time  
When the words didn't rhyme  
You could never quite be sure  
Then on with the change  
It was simple but strange  
And you knew the feeling seemed to say it all

It cries for you  
It's the least that you can do  
Like a spiral on the wind  
I can hear it screaming in my mind

Long live rock'n'roll } 3 times

If you suddenly see  
What was happened with me  
You should spread the word around  
And tell everyone here  
That it's perfectly clear  
They can sail above it all on what they've found

It cries for you  
It's the least that you can do  
Like a spiral on the wind  
I can hear it screaming in my mind

Long live rock'n'roll } 3 times
