I'm a wheel, I'm a wheel I can roll, I can feel
And you can't stop me turning
Cause I'm the sun, I'm the sun I can move, I can run
But you'll never stop me burning

Come down with fire Lift my spirit higher
Someone's screaming my name Come and make me
holy again

I'm the man on the silver mountain
I'm the man on the silver mountain

I'm the day, I'm the day I can show you the way
And look I'm right beside you I'm the night, I'm the night
I'm the dark and the light With eyes that see inside you

Come down with fire Lift my spirit higher
Someone's screaming my name Come and make me
holy again

I'm the man on the silver mountain
I'm the man on the silver mountain
Come down with fire
Lift my spirit higher
Someone's screaming my name
Come and make me holy again

I'm the man on the silver mountain
I'm the man on the silver mountain
Just look at me and listen
I'm the man, the man, give you my hand
Come down with fire
Lift my spirit higher
I'm the man on the silver mountain
I'm the man on the silver mountain
I'm the night and the light
I'm the black and the white
The man on the silver mountain
