Riding on the wind

Shooting for the stars  
Cruise the speed of light.  
Glowin' god of Mars  
Body burning bright.

Well I'm ridin', ridin' on the wind  
Yes I'm ridin', ridin' on the wind.

Tearing up through life  
Million miles an hour  
Blinding all in sight  
Surging rush of power.

Well I'm ridin', ridin' on the wind  
Yes I'm ridin', ridin' on the wind.  
Solo  
Ridin on the wind x3

Thunderbolt from hell  
Shattering aloud.  
Screamin' demons yell  
Bursting through the clouds.
