Slow An' Easy

You keep on pushing, babe,
Like I've never known before.
You know you drive me crazy, child,
An' I just wanna see you on the floor.
I wanna superstitious woman
An' she got a superstitious mind.

I can't see you, baby,
I can't see you anymore, no more.
You keep on loving me
Like I've never known before.
I wanna superstitious woman
With a superstitious, a superstitious mind, an' I don't
mind, baby.

My heart is beating faster, babe,
It's beating like a big bass drum.
You know you got me speeding, child,
Faster than a bullet from a gun.
You're a superstitious woman
An' I got a superstitious mind, an' I don't care.

So take me down slow an' easy,
Make love to me slow an' easy.
I know that hard luck an' trouble
Is coming my way,
So rock me 'til I'm burned to the bone,
Rock me 'til I'm burned to the bone.

I don't care about, oh,
I don't care about love, no more.
The way you keep abusing me
Oh, I can't take no more.
I wanna woman
She got a superstitious mind.

So take me down slow an' easy,
Make love to me slow an' easy.
I know that hard luck an' trouble

Is coming my way,
So rock me 'til I'm burned to the bone,
Rock me 'til I'm burned to the bone,
Rock me 'til I'm burned.

(Solo)

So take me down slow an' easy,
Make love to me slow an' easy.
Take me down slow an' easy,
Rock me 'til I'm burned to the bone.

Take me down slow an' easy,
Make love to me slow an' easy.
I know that hard luck an' trouble
Is coming my way,
So rock me 'til I'm burned to the bone...
