1.

I was listening to the music on the radio  
I had a feeling that something's not right  
The music was loud, we could still hear the crowd  
From the gig that we played that night  
We pulled into a motorway restaurant  
Stopped a while and fooled around  
Oh, I still had a feeling that something's not right  
As we started out homeward bound

Ref.

Stop, get out  
We are the strong arm of the law  
Stop, get out  
We are the strong arm of the law

2.

Into the night came a blue flashing light  
A blast from the siren to make sure  
That we came to a stop behind the motorway cop  
Who'd been trailing us for more than an hour  
He pulled us out of the car at the side of the road  
He questioned us one at a time  
Where is the gear that we know that you use  
We said the only speed we use is our car

Ref.

Stop, get out  
We are the strong arm of the law  
Stop, get out  
We are the strong arm of the law

3.

You should've seen the stupid smirk drop from his face  
It was a negative exercise  
The way that we dress and the things that we do  
They thought it was an easy bust  
I was listening to the music on the radio  
I had a feeling that something's not right  
The music was loud, we could still hear the crowd  
From the gig that we played that night

Ref.  
Stop, get out  
We are the strong arm of the law  
Stop, get out  
We are the strong arm of the law

Stop, get out  
We are the strong arm of the law  
Stop, get out  
We are the strong arm of the law

Stop, get out  
We are the strong arm of the law  
Stop, get out  
We are the strong arm of the law

Stop! Get out!
