1st verse:

One life I'm gonna live it up
I'm takin' flight I said i'll never get enough
Stand tall I'm young and kinda proud
I'm on top as long as the music's loud

Pre-chorus:

If you think I'll sit around as the world goes by
You're thinkin' like a fool cause it's a case of do or die
Out there is a fortune waitin' to be had
You think I'll let it go you're mad

Chorus:

You've got another thing comin'

2nd verse:

That's right here's where the talkin' ends
Well listen this night there'll be some action spent
Drive hard I'm callin' all the shots
I got an ace card comin' down on the rocks

Pre-chorus:

If you think I'll sit around while you chip away my brain
Listen I ain't foolin' and you'd better think again
Out there is a fortune waitin' to be had
You think I'll let it go you're mad

Chorus:

You got another thing comin

Bridge:

In this world we're livin' in we have our share of sorrow
Answer now is don't give in aim for a new tomorrow

Guitar solo

3rd verse:

Oh so hot no time to take a rest yeah
Act tough ain't room for second best
Real strong got me some security
Hey I'm a big smash I'm goin' for infinity yeah

Pre-chorus:

If you think I'll sit around as the world goes by
You're thinkin' like a fool cause it's a case of do or die
Out there is a fortune waitin' to be had
You think I'll let it go you're mad

Chorus:

You've got another thing comin'
