[Chorus - Mannie Fresh]

House real big  
Cars real big  
Belly real big  
Everything real big  
Rims real big  
Pockets real big  
Rings real big  
Let me tell you how I live

Like that buy that 24's ride that  
Ladies, Gentlemen  
Gangstas, Pimps  
Mammas, Daddys  
Stunnas, Shiners  
I'm rich bitch, I'm a real Big Tymer

[Verse 1]

King of the hood, everthing wood  
Look like a forest in the truck and I'm a put  
Matchin \_\_ cassette  
Big open deck, hardwood floors in that thing that  
connect  
From the front to the back, try to top that  
Six 15's beatin' hard in the deck  
Push that button, microwave oven  
I'm just gettin' started player, you ain't seen nothin'  
"Is that a fish tank, bra, in the middle of the dash?"  
Yeah pimpin' don't put your fingers on my glass!  
Got a two lane bowling ally up in the truck  
And on the other side a bed if she wanna get stuck  
Clap off lights when you get an affection  
Clap on lights when you findin' protection  
Now where iin the wide wide world of gator  
Can you ever find a truck with a plush elevator?

[Chorus]

[Verse 2]

Here I come so, so right (Right on!)  
In the shoes so, so wide (Dynamite!)  
Hey y'all peep the outfit  
Wait a minute, hold up just a bit (Back up, workin' with a monster)  
Now everybody knows I got the shiniest clothes  
Y'all still doin' little leage and I'm in the pros  
Then white boys go wild "He's my idol"  
And black boys say "Dude holdin' the title"  
As the king of the south  
Work it in and out  
And dude still pimp white teeth up in his mouth  
I'm the truth from the book shawty, what you wanna see?  
I ain't gotta get money man, money get me  
Yeah, pimpin' still blindin' (BLING!)  
Keep a Steve Harvey linin' (Edgin up)  
And I'm leather reclinin' (Laid back)  
With the music Alpinin'

[Chorus]

[Verse 3]

Move, li'l one I ain't playin'  
Land in the projects in a big jet plane  
Roll out in a old blue chevy van  
With your baby mamma cookin' rookie 'cause I can  
I do it on the real  
Your broad jockin' stunna grill  
I do it on the real  
Your broad jockin' stunna grill  
'Bout to clown put it down y'all still my girls  
Show all y'all shorties how to do donuts  
Round and round and round (Skrrrt! Stop!)  
This the part where I give my phone number to all the girls that's hot  
Dial 976 that outside dick  
Or 874 shorty show me how it go  
Have you ever seen a big stretch truck like that?  
Now have you ever seen a big broad but like that?  
Budonkadonk all out of her pants  
With a bowlegged cowboy stance (Yeehaw!)

[Chorus]
