Can you celebrate?
Can you kiss me tonight?
We will love a long, long time

I didn't know the word "forever"
(Can you celebrate? Can you kiss me tonight?)
(We will love a long, long time)
We're all alone, aren't we
After tonight, I'll be a little embarrassed
La la la... la la la...

Forever, forever
You'll always watch over me
Looking for someone, then you find them
Only to lose them, and start searching again
You were far away, I was scared, but
Sometimes there were also
Wonderful nights, wonderful smiles
I can't help it
Blown about by the wind
That's how I'm living, now
Even in this, there's nothing wrong
La la la... la la la...

Sweet and bitter, young and immature
If I could look back on love
It would be quite cute

I made so many mistakes finding the way
I was running against something
Someone told me

(Can you celebrate? Can you kiss me tonight?)
(We will love a long, long time)
Wo... I was able to escape
Just a little bit, from the memories
I paused without a reason
Tears overflowed, laughter poured out
(Can you hold me tight? Let's have a party time tonight)
(Say good bye, my lonely heart)
(Say hello forever)
I didn't know the word "forever"

Can you celebrate? Can you kiss me tonight?
We will love (a long, long time)
We're all alone, aren't we
After tonight, I'm all yours
Can you celebrate? Can you kiss me tonight?
I can celebrate
