I've been here before
Then you say that you want something more
Can we just do things as friends
And still be left without those regrets

I never want to be your girlfriend
To me that's such a whack position
Baby I've learned my lesson
Isshoni shinai de

I never want to be your girlfriend
The one that you forget to mention
The fellas get all the attention
Watashi wa heiki na no

You can hang with the boys until
Baby disregard the way I feel
Watashi no eranda kotae wa
I never want to be your girlfriend

You can hang with the boys and stuff
It really don't phase me all the much
Watashi ni kankeinai koto
I never want to be your girlfriend

You want me here at home
While you're in the club
Trying to get it on
I'd rather be just a part time love
Than to be with your demands and your wants

I never want to be your girlfriend
To me that's such a whack position
Baby I've learned my lesson
Sono hou ga MASHI yo

I never want to be your girlfriend
The one that you forget to mention
The fellas get all the attention
Watashi wa heiki na no

You can hang with the boys until

Baby disregard the way I feel
Watashi no eranda kotae wa
I never want to be your girlfriend

You can hang with the boys and stuff
It really don't phase me all the much
Watashi ni kankeinai koto
I never want to be your girlfriend

You can hang with the boys until
Baby disregard the way I feel
Out of all the things that I have been
I never want to be your girlfriend

You can hang with the boys and stuff
It really don't phase me all the much
Out of all the things that I have been
I never want to be your girlfriend

I never want to be your girlfriend
To me that's such a whack position
Baby I've learned my lesson

I never want to be your girlfriend

You can hang with the boys until

Out of all the things that I have been
