I'll be next to you If you want me to
I'll give you my heart And you keep apart
Every dream you dream Every song you sing
Oh yes it's true I want to be the one Who's next to you

Anata wo omou soredake de fukai yorokobi afureru no
Dekiru nara yoru wo koe zutto sono te ni dakare
Ai no eien wo tashikameru It makes me happy baby
Mou hohoemi wa kono mune de kagayaki ni kawaru
