Rick Fenn/Danny Peyronel)

Were you hear five thousand years ago
 Promising the promised land
 Corinthians, Corinthians
 Dancing on unbroken burning sand

Where no trees or living things would grow
 Selling the romantic dream
 Phoenicians, Phoenicians
 Real estate is hard to find, ideas undermined
 Wrong place and wrong time

CHORUS

Goodbye, good thing
 Africa's a lonely place
 Goodbye, good thing
 Missionaries in position pray
 Oh Israel

Have you lost what others never find
 Blame the unforgiving sun
 Arabians, Arabians
 Neighbors are so hard to tame
 When you don't look the same
 Give them a smile say

CHORUS
