Now is the time, time for a change
Towards the light, to rearrange
All of our thinking towards a plan,
To unite in spirit every woman and man,
Think of the children, think of their needs,
Love and understanding, the power of being,
A chance to be heard, untainted and pure,
Knowing in their hearts, there will be a cure
Call of the dolphin
Call of the dolphin
Call of the dolphin
Call of the dolphin
Listen to the dolphins, they hold the key
Living a life, in harmony
They are a family, feel love and pain
Yet in their hearts, love only reigns
They know freedom, have no boundaries and yet
Man slaughters thousands, with our prison nets
Yet they still approach us, with their love and their light
And will until the whole world unites
Call of the dolphin
Call of the dolphin
Call of the dolphin
Call of the dolphin
Show us the way...
Show us the way...
Call of the dolphin
Call of the dolphin
Call of the dolphin...
Call of the dolphin
Call of the dolphin
Call of the dolphin
Call of the dolphin
If you love the dolphins, please let them be
To live their lives, to be free
They are a family, feel love and pain
Yet in their hearts, love only reigns
Let them be free...
Please let them be free...
Call of the dolphin
Call of the dolphin

Call of the dolphin
Call of the dolphin
