Hook:

I slow cruising on the sun sun
This for my fellows on the north side
And to the ladies in the east
And all my ladies on the west west side.
Tonight Iâ€™m gonna break till Iâ€™m halfway dead,
And Iâ€™ma smoke till Iâ€™m halfway dead,
Lord can you watch my...
Â€™cause I donâ€™t really wanna blow,
But I wanna party my life away.

Yaâ€™ll, yaâ€™ll we write heavy shit,
Your love... , I comfort in, let my mama home,
Scream major plat stop...
This ainâ€™t the life that I could... still I propose,
You look at the city that I come from,
They ask why so I could lift it all, so,
Dumping out thus, waste it all boy,
No destructions, moving no discussion
That nigga become up in school faces, we adjust them,
F*ck em, I roll em the blunt for 4, every meal serve
nigga
... hallelujah, this the real work,
And I get the amen drips out the amen,
Stripping Iâ€™m falling this rap, my... weâ€™re baking,
I say you Iâ€™ma fashion up
Drinking this till ainâ€™t fair,
Your eyes ainâ€™t blind till you Iâ€™m no one to yout back
Iâ€™m so fly, Iâ€™m smooth out, and when I come through
I
This week got long hair, move on.

[Hook:]

They could bime, lick a shot, raise her arm, lick a shot,
I raise her arm and take her top,
Iâ€™m the main attraction, that nigga not,
F*ck that, Iâ€™m the man, by the boom, by the band
Is not a thing, I got that green then Iâ€™ma been,
Iâ€™m zonin out, Iâ€™m not relieved
But Iâ€™m not myself the slightest thing,

Smoking card sad I lean, I need to steal my mind
esteem
The world is such a pretty place, I seem just what my
mama mean
Until this ain't your mainly, I see just what my papa
mean,
I pop the bean, I need a bottle, what am... I'm out of
lean
I'm just playin girl within, shit I'm not really try to
see,
I'm just playin ride with these, and ya'll them thriller
tryin to blink,
I'm all to see, I'm all to see, and call this doctor
again again
