The battlefield
Has taught me so much
Nor evil nor good
Just men with their fears
They fought for their people
As I fought for mine
So tell me who's wrong
'Cause I don't know
After all the horrors
Of the battlefield
Although my body and soul
Are covered with wounds
I will come back
I will come back
When I come back
There'll be no fear
When I come back
You'll be never alone
I'm not the same man
I was when I left
In the end I don't know

Who lost or won
After all the horrors
Of the battlefield
Although my body and soul
Are covered with wounds
I will come back
I will come back
Guitar Solo (Ste)
Guitar Solo (Phil)
After all the horrors
Of the battlefield
Although my body and soul
Are covered with wounds
I will come back
I will come back
