I'm a big douche at the Scottsdale bars, at the  
Scottsdale bars, at the Scottsdale bars  
I'm a big douche at the Scottsdale bars, at the  
Scottsdale bars, at the Scottsdale bars

Look at me, look at me  
Fake millionaire that makes 30 Gs  
I lie to all kinds of girls and hope that they'll come  
home and sleep with me

I could tell you I could score some blow  
I could tell you I'm a movie director  
Spray on Axe 'til my eyes swell up  
My skin burns but I smell much better

I drive a used BMW  
Parked right in between those other two  
Only 96 more payments and then I can rip up the IOU

Me and my friends have frosted tips  
Me and my friends live to get ripped  
'Cause if I see the picture lady I wanna look good for  
the pics 'causeâ€!

I'm a big douche at the Scottsdale bars, at the  
Scottsdale bars, at the Scottsdale bars  
I'm a big douche at the Scottsdale bars, at the  
Scottsdale bars, at the Scottsdale bars

Look at me, look at me  
Claim I'm straight in designer jeans  
High fives to all my bros who go out searching for hos  
with me  
I go from club to club until I score  
I sneak in to the VIP  
I give it to cougars in the back door then tell my friends  
she was 18

I Spend lots of money on my hair products  
So it can hold up to severe weather conditions  
I keep ahead in business and thanks to them my dome

looks bitchin'

Hotties, fatties, and all you cougars, me and my  
friends are gonna throw game to ya  
I don't stalk girls it's called persistence  
And yes my hair is wind resistant, 'causeâ€¦

I'm a big douche at the Scottsdale bars, at the  
Scottsdale bars, at the Scottsdale bars  
I'm a big douche at the Scottsdale bars, at the  
Scottsdale bars, at the Scottsdale bars

Look at me, look at me  
Pretending I'm on top  
And my new tribal tattoo makes the panties go drop  
My cocaine addiction, my cola is pure  
My shirt is Affliction, my classes Dior  
I can lie about expensive vacations  
How Heather gave me oral gratification  
And say I'm the Cardinals new rookie sensation  
Or maybe I own this radio station  
Eating six dollar burgers with Gavin Maloof  
Here's my receipt that I kept as proof  
And did I even mention I know all the Kama Sutra  
moves

Can I get to 80 with no DUI, no DUI, no DUI  
Then we can park at Tempe lake and we can both get  
high, we can both get high, we can both get high

I'm a big douche at the Scottsdale bars, at the  
Scottsdale bars, at the Scottsdale bars  
I'm a big douche at the Scottsdale bars, at the  
Scottsdale bars, at the Scottsdale bars
