Girl-

"if you're ever in detroit
look me up
and we can go get coffee
and talk about
this crazy year
and how things might have been
if we'd agreed"

she wrang in my ear
(like eleven violions in tune)
"it doesn't mean I'm always gonna fall"
she wrang in my ears
(like eleven violins in tune)
"it doesn't mean I'm always gonna fail"

Boy -

"if you're ever in harms way
call on me
and I will come and save you
from the world
and all the things she's done
I will be your hero"

she wrang in my ears
(like eleven violions in tune"
"it doesn't mean i'm always gonna fall"
she wrang in my ears
(like eleven violins in tune)
"it doesn't mean I'm always gonna fail"

Girl -

"if i was ever able
to put you in your place
I'd show you that you're an angel
and I'm standing in the way"

Boy -

"I'm counting my blessings
and closing my eyes
Hoping to heaven

you don't say goodbye
I'm writing you letters
I've wanted to read"

Boy writes -
Would You Be There For Me?
