No Trouble With
With A you X3
Cause Breakin' Up was never

(Verse 1)

You Know when you dont call me back
You Know when you dont call me back
i finally get you on this phone and our connections all
wrong
your acting like im starving you out
and my batterys getting low
get me charged up or you will regret it (gret it)
i need to call you back so i can hear you better (better)
'bout to end the conversation all together (gether)
hold up i think your cutting out
i think your cutting out
can you hear me now because
we are breakin' up

i want my body battery charged and i want you in my
zone
