if i was your girlfriend
imagine what you could see now
i wanna take my clothes off
cuz u got my body hot nd readi to freak now

if i was your girlfriend
imagine what you could see now
i wanna take my clothes off
cuz u got my body hot nd readi to freak now

no i dont care what they say,dont even mean a thing
baby
dont care what they do long as you know i want you
its so hard for me to stand back and let you get away
now that you know how i feel for you boy you can set
my body free

take me baby ill lite your fire
i will be your only desire
take me baby ill lite your fire
i will be your number one supplier

if i was your girlfriend
imagine what you could see now
i wanna take my clothes off
cuz u got my body hot nd readi to freak now

if i was your girlfriend
imagine what you could see now
i wanna take my clothes off
cuz u got my body hot nd readi to freak now

you make me feel so good
wont you come close take my heart away
dont get mis-understood
i think im not readi for you babi

see a girl like me
i never throw my feelings on the table
but now that you know how i feel for you boy
you can set my body free

take me baby ill lite your fire
i will be your only desire
take me baby ill lite your fire
i will be your number one supplier

if i was your girlfriend
imagine what you could see now
i wanna take my clothes off
cuz u got my body hot nd readi to freak now

if i was your girlfriend
