Talking:

I dont know wazzup with you, but I just want to tell you,
to me your like my sunshine and you really really make
me smile, and I just wanna let you know that without
you I have nothing, I mean nothing, to be happy about

V1: Can't you see that I'm missing you, and I don't know
why I feel tha way that I do, only you can take my mind
away, through all the pain and what I gotta say.

Chorus:

Without you I have nothing to be happy about, nothing
to be happy about,
I have nothing to be happy about, oh (repeat)

V2: how can i make you change your mind, cause you
found me, you'll never find another girl

chorus

HOok: heart and soul is what I have for you no other
love could ever be so true so only you can take my
mind away only the same thing comes every day cant
you see that I'm missing I don't know what I'm gon do
only you can take my mind away I need to know if your
going to stay

chorus till fade
