Ay this one right here goes to all the shawties in the world that need a real man in their life

oooo,damn girl you're on fire
oooo,damn girl you're on fire
oooo,damn girl you're on fire

I know you on fire
And ya man don't fuck you right
Damn my side is cold just come on in
I know you about it you're gonna get your chance to show tonight
Stress no more just come on in,[x2]

All the beautiful girls in the world(from the A-town to the south of france)
Feeling they ain't gettin enough of love(and your sick of what your dealing with)
Here's a song to show you that I'm feeling,
If I had you here you know what I'd give you
The next time he hurt you bad baby
Let me make it all okay

First I'ma come and get you good(out the hood from no fear)
Don't wanna let me pull my gun(but if I have to I will)
For two days straight Im'a keep you up(make you feel like you ain't felt)
In my bed hitting it like he didn't hit it bad

I know you on fire
And ya man don't fuck you right
Damn my side is cold,just come on in
I know you about it your gonna get your chance to show tonight
Stress no more just come on in,[x2]

It must be hard to spend everynight and get no love
Only affection that you getting is when he hits on ya
Probably beaten but he won't be puttin fists on ya
Girl let me get a little aggressive but it's gonna be

good

Here's a song to show you all that I'm feeling
If I had you here you know what I'd give ya
The next time he hurt you bad babe everything will be
okay

First I'ma come and get you good(out the hood from no
fear)
Don't wanna let me pull my gun(but if I have to I will)
For two days straight Im'a keep you up(make you feel
like you ain't felt)
In my bed hitting it like he didn't hit it bad

I know you on fire
And ya man don't fuck you right
Damn my side is cold,just come on in
I know you about it your gonna get your chance to show
tonight
Stress no more just come on in,[x2]

See I know you're getting out of control (Out of control
Cause the one you're dealing with is really getting
old(So gettin old)
You know I've got that brand new
Do more than ya man do
Go on and grab some chocolate before the money
close
Showing you my lady
Showing your my baby
Now raise your hands up
Ohh I forgot that way too heavy
Man I've got to get it
And rock you steady
Better keep my baby close to my hip like a machete
I wouldn't be here for you if I didn't care
Wanna do what I do with you shawty and pull your hair
Is that too rough putyou in handcuffs gotta change
you'll never be no where but in my care

First I'ma come and get you good(out the hood from no
fear)
Don't wanna let me pull my gun(but if I have to I will)
For two days straight Im'a keep you up(make you feel
like you ain't felt)
In my bed hitting it like he didn't hit it bad

I know you on fire
And ya man don't fuck you right
Damn my side is cold,just come on in
I know you about it your gonna get your chance to show

tonight
Stress no more just come on in,[x2]

Ohh girl you're so fire girl
If I give you a little tase you won't go back there
Ohh girl the way you wind up girl like you know I
