[Sean Garrett]

Junior high played them

High school played them

College well, you know€ played them

Me and my friends use to laugh about it, how we fade  
'em

Now cupid is aiming his arrow right there at me

No more nonchalance can I be, with you here starring  
at me

With the most beautiful eyes that a n-gga ever seen

You pull an emotional vibe from my soul, look at me

You got my heart beating like my back is filled with  
batteries.

[Chorus]

For the first time Im in love,

And I wanna tell everybody

And I wanna tell everybody (what i'm feeling)

For the first time I feel love

And I wanna tell everybody

And I wanna tell everybody the feel

Drizzy Drake.

[Drake]

All them men before me did shit I would never do

And I know you got your guards up, but they should let  
him through

Just keep fightin' for our lovin' baby, I'll defend it too

And if they try and tell me time is money I'd spend it  
with you

I spend it all

I spend it all

I charge forever, to my card

And pay it off, no interest lost

I be right here, and like your favorite wine girl,

I'm worth trying, but take it easy on me

Cuz this my first time

[Chorus]

For the first time Im in love,

And I wanna tell everybody

And I wanna tell everybody (what i'm feeling)  
For the first time I feel love  
And I wanna tell everybody  
And I wanna tell everybody the feel

[Sean Garrett]

Now baby, baaaby  
You doin' things with my heart ain't never felt, it's so  
crazy  
(?) if you gonna let it change me, I was so mistaken  
Your love like a billy coupe, took me out of a Mercedes  
Now baby, baaby

For so long I miss somebody  
My heart just couldn't (?)  
I went from not wanting a girlfriend to needing ya lady  
I didn't think I'd ever see  
Me callin' to you, you voice before, I go to sleep

[Chorus]

For the first time Im in love,  
And I wanna tell everybody  
And I wanna tell everybody (what i'm feeling)  
For the first time I feel love  
And I wanna tell everybody  
And I wanna tell everybody the feel

[Sean Garrett]

I ain't never looked into a woman's eye worth of fire  
Bet I'm feelin while you holdin' me begging to take you  
higher  
For so long I wasn't faded, I couldn't admitted before  
But now I see what life's about, and i'm never goin' let  
you go  
Girl I'm growin' (don't wanna be selfish, I wanna be  
more accountable)  
I see us growing (?) don't wanna miss out on a feeling I  
never had before  
I got to tell the world, somebody gotta know  
What you'da done to me, I gotta let'em know

[Chorus]

For the first time Im in love,  
And I wanna tell everybody  
And I wanna tell everybody (what i'm feeling)  
For the first time I feel love  
And I wanna tell everybody  
And I wanna tell everybody the feel

[Sean Garrett]

Two hearts, I use to say

Might make a great movie to watch on a late night  
But for me it ain't the way  
But baby thanks to you (I changed)

[Chorus]

For the first time Im in love,  
And I wanna tell everybody  
And I wanna tell everybody (what i'm feeling)  
For the first time I feel love  
And I wanna tell everybody  
And I wanna tell everybody the feel
