Stop the track nigger,
Your girl was coughing my , index on the trigger
Nigger that's the , I could eat your ass out
Remember me now she with me and I'm in her damn

12 months done passed, ain't forget him
Best believe, Ima see him, ima see him, ima see him

If a nigger put up slow and then take care bizness
12 months done passed, ain't forget him
Best believe, Ima see him, ima see him, ima see him
Best believe, Ima see him, ima see him, ima see him.
