All the beautiful ladies, only ones that look like you
All the beautiful ladies, only ones that look like you
I need to know can you do that for me, can you
I need to know can you do that for me, can you

Rock the tables, sexy girl, rock the tables, yeah, yeah
Rock the tables, sexy girl, rock the tables, yeah, yeah
You can flow for a rider, flow rider
You like to flow for a rider, flow rider

Rock the tables, sexy girl, rock the tables, yeah, yeah
Rock the tables, sexy girl, rock the tables, yeah, yeah
You can flow for a rider, flow rider
You like to flow for a rider, flow rider

We in the club,... inner...
... mad at me...
I got 5 on a 6...
... girl,
I'ma have... tonight
... ya motherfucker... I rip this bitch up like a demon...

Rock the tables, sexy girl, rock the tables, yeah, yeah
Rock the tables, sexy girl, rock the tables, yeah, yeah
You can flow for a rider, flow rider
You like to flow for a rider, flow rider

Rock the tables, sexy girl, rock the tables, yeah, yeah
Rock the tables, sexy girl, rock the tables, yeah, yeah
We can flow for a rider, flow rider
You like to flow for a rider, flow rider
