We did this shit here for the DJ

(Chorus)

Saw me pull up in that 458

She geeked

Saw so many other bitches on my dick

She geeked

She couldn't believe my ambiance she love the way I  
speak

She geeked

She told me take em off she know we in the club

She geeked

(Sean Garrett)

They use to call me young boy

Bitches call me big boy now

I got my millies and milles up and my visa out

Now the young nigga get the old nigga in a choke hold

Now he askin me more questions than his bitch Coco

And ya know she wouldn't be on me but recession
