Jab se tum karib aane lagi udasi meri jaane lagi,
Jab se tum karib aane lagi Ooh udasi meri jaane lagi,
Jab se tum paas aye ho, kuch aisa Dil pe chaye ho,
zindagi meri muskurane lagi,
Rai Rai lai re___... Rai Rai lai re...

Tumne kya kardiye Ishare he... ,
Gaane lage chand Sitare, Gaane chand Sitare,
Tumne kya kardiye Ishare he... ,
Gaane lage chand Sitare, Gaane lage chand Sitare”
Muskurahat dekh teri, Zindagi yeh meri,
Muskurahat dekh teri, dungi Zindagi meri...
Geet gaane lagi, Geet gaane Lagi...
Rai Rai lai re, Rai Rai lai re,...

Yeh Saare nazare tumhe ko pukare he, Ab aarzu yehi
ki, tu meri banza re, tu meri banza re.

Ooho... Meri jaan, mujse door na jaa re, laagi re laagi
lagan, lagan lagi, lagan lagi...

Rai Rai lai re... Rai Rai lai re...
OOH HOO...
