This is my song to say I'm sorry for
The way I love you wrong
Please forgive me when I do what I do

I make mistakes if I were you
I know I'd already be gone
But you stay because you know it's true

That I love you and I need you
And I can't imagine where I'd be
Without you beside me
Heaven only knows

Every fallen angel prays for a second chance
A believer's wish
All my life these tired wings have given in
To the same old sin

You're the only one who makes me
Feel like I could ever fly again

If I could take back all the hurts
Then I could lose all my regrets
Maybe together we could just forget

Then I'll know you and I'll show you
I can love you with a patient heart
'Cause without you what would I do?
Heaven only knows

Every fallen angel prays for a second chance
A believer's wish
All my life these tired wings have given in
To the same old sin

You're the only one who makes me
Feel like I could ever fly again

I can almost remember
'Cause everytime you hold me close
I believe what heaven knows

Every fallen angel prays for a second chance
To fly again
And all my life these tired wings have given in
To the same old sin

You're the only one who makes me
Feel like I could ever fly
You're the only one who makes me
Feel like I could ever fly again

This is my song to say I'm sorry for
The way I love you wrong
