(Say my name)

I've given up on being myself  
I've given it up for you  
I've given up on self-respect  
I cannot face the truth

Tell me why I die  
Tell me why I cry  
This feeling gets me high  
Tell me why I die  
Tell me why I cry  
Without you  
(Without you) [x8]

Say my name, why don't you say my name  
Show me how to feel no pain  
Say my name, oh baby can't you see  
You have got a hold on me  
[x2]

(Hold on me, hold on me, hold on me, hold on me) [x2]

I can't erase the simple fact  
That I'm in love with you  
I can't persuade my lonely heart  
To stop looking for you

Tell me why I die  
Tell me why I cry  
This feeling gets me high  
Tell me why I die  
Tell me why I cry  
Without you  
(Without you) [x8]

Say my name, why don't you say my name  
Show me how to feel no pain  
Say my name, oh baby can't you see  
You have got a hold on me  
[x2]

Tell me why I die  
Tell me why I cry  
This feeling gets me high  
Tell me why I die  
Tell me why I cry  
Without you (without you, without you)
