Found Mary
She'd been gone all afternoon
In the cemetery
Placing flowers in full bloom

Laid in the grass and in her mind
She went back to another time
Found Mary
We found Mary

It was a Monday evening
Died in her arms she was pleading
I'll give my life don't take my love, oh

Found Mary
She'd gone for a drive outside of town
To her favorite place where she sat down

Tipped her head up to the sun
Closed her eyes to be with the one
A drop of rain fell from her eye
Beneath the heaven of a clear blue sky
We found Mary
It was a Monday evening
Died in her arms she was pleading
I'll give my life don't take my love, oh

So many years together
In the heart forever
Sometimes Mary still breaks down
Found Mary

Found Mary
She'd been gone all afternoon
In the cemetery
Chasing flowers

It was a Monday evening
Died in her arms she was pleading
I'll give my life don't take my love, oh

So many years together

In the heart forever
Sometimes Mary, sometimes Mary, sometimes Mary
still breaks down

Sometimes Mary still breaks down
