[Verse 2: Fabolous]

You would think I came out the bubble wrap
The chicks want em, click on em like the double tap
With women, I've been cool since reeboks with double
straps
but no swimmin in the pool without the rubber capped
you might see me on the television networks
wings on the hood from the cars to the sweatshirts
a expert at makin the opposite sex flirt
then I have them bobble head the dick til they neck
hurts (haha)
mama couldnt afford to ivy league college me
but I look like I got a degree in flyology
except my apology, truthfully I'm sorry,
for comin through your block with no roof on the ferrari
now, I'm blowin marijuana by the ounce
the money is on steroids, I'm barry bondin my accounts
nigga please, got my necklace froze
with the same logo I got sketched on my clothes (they
call it fresh)

[Chorus]

We the freshest, We the Flyest
If I want it I'm gon buy it
I make the spot go quiet
cause I am so fresh to death (they call it fresh)
We the freshest, We the Flyest
If I want it I'm gon buy it
I make the room go quiet
cause I am so fresh to death

[Verse 3: Belly]

I'm fresh, you processed, unfresh
I'm hot boy, I can make the sun sweat
It goes down like a sunset
When the jet take off, she undressed, yes
fresh, pockets extra swollen, you best get money while
the rest is fallin
treat life like texas hold em, my charm so big
can't believe that the necklace hold em
if you bettin on me then double up, put the bakin soda,
put me to bubble up
I'm that sharp, I'm a cut above
they get red in the face whenever they show the
brother love
we the flyest, if I want I buy it, scars everywhere like
pirates
I'm dressed to kill start dying, quiet
you'll never be fresher than I am (they call it fresh)

[Chorus]

We the freshest, We the Flyest
If I want it I'm gon buy it
I make the spot go quiet
cause they know I am so fresh to death (they call it
fresh)
We the freshest, We the Flyest
If I want it I'm gon buy it
I make the room go quiet
cause I am so fresh to death (They call it fresh)

when you talk like this
when you walk like this (they call it fresh)
when you ride like this
when you fly like this (they call it fresh)
when you can brag like this
got swag like this (they call it fresh)
When you got it, how we got it
you gotta know that you gettin it good (they call it
fresh)
