Do I really have to kill 'em with feeling of the rhythm,  
Should I hit 'em with the venom I'm spit, spit, spitting?  
If I sick 'em, imma get 'em with a sick precision,  
Bars, bars, bars, like I put 'em in the prison,  
If I'm beating by a pigeon imma stomp 'em, imma kick  
'em,  
Imma blam blam blam with the bang and spit 'em.  
I was on a mission for the rocks that glisten  
'Cause I was a new girl like boy ya kicking.

Huh?

I lirically punch 'em in the stomach straight stuntin'  
'Cause the ish I kick I'm throwing up their lunches  
Yep, yep, yeah, this, this that, but it's just a fact,  
If you really, really, really wanna tell me how

How y'all want it?  
Is it fast, is it slow, is it high, is it low?  
Tell me how, how y'all want it?  
Is it up, is it down, do you like my style?  
Tell me how, how y'all want it?  
Is it fast, is it slow, is it high, is it low?  
Tell me how, how y'all want it?  
Is it up, is it down, do you like my style?

Huh?

I talk it, 'cause I live it, yeah, I really, really did it.  
Imma live it 'till the limit, getting so fly with it  
Imma ride that flow, that high, that low  
That five, four, three, two, one, stop, get it.  
Imma do my thing, everybody is a critic.  
That right there, never stop me did it.  
Kill 'em at the minimum I'm breaking up the mass,  
NY here, stop breaking brrra.

Wow, wow, wow.

I shine, I shine, I hustle that grind,  
Ain't nothing come to me, I'll take what's mine

I'm a hustle, bitch, straight o.g.'n  
N.I.N.A. straight, o, dear!

How y'all want it?  
Is it fast, is it slow, is it high, is it low?  
Tell me how, how y'all want it?  
Is it up, is it down, do you like my style?  
Tell me how, how y'all want it?  
Is it fast, is it slow, is it high, is it low?  
Tell me how, how y'all want it?  
Is it up, is it down, do you like my style?

Huh?
