Friday night, I'm going nowhere, all the lights are changing green to red
I'm turning all the TV stations, situations running through my head
Looking back through time and it's clear that I've been blind, I've been a fool
To ever open up my heart to all the jealousy, the bitterness, the ridicule

[Chorus:]

Well, if you want it, come n' get it, for crying out loud
The love that I was giving you was never in doubt
Let go of your heart, let go of your head and feel it now
Let go of your heart, let go of your head and feel it now
Babylon mmmm, Babylon

[Verse 2:]

Saturday, I'm running wild, all the lights are changing red to green
Moving through the crowd, I'm pushing chemicals, they're rushing through my blood stream
I wish that you were here, I'm saying it so clear, I've been afraid
To tell you how I really feel; admit to some of those bad mistakes I've made

[Repeat Chorus]

[Verse 3:]

Sunday all the lights of London shining, sky is fading red to blue
I'm kicking through the autumn leaves
And wondering where it is you might be going to
I'm turning back for home, you know I'm feeling so alone, I can't believe
Climbing on the stair, I turn around to see you smiling there
In front of me

[Chorus:]

Well, if you want it, come n' get it, for crying out loud
The love that I was giving you was never in doubt
Let go of your heart, let go of your head and feel it now
Let go of your heart, let go of your head and feel it now
Let go of your heart, let go of your head and feel it now
Let go of your heart, let go of your head and feel it now
Babylon
