Ruffled hair, a lose shoestring
Covered hair and a nosering
He's just misguided I think

He goes out til the lights come up
He doesn't care for the day
He doesn't know what he's worth

But he's self confessed and a little obsessed
He gets money from his parents to try and impress
I guess that's adolescence at it's best

He's never put to the test but he's still distressed
And he keeps a bottle inside his vest
I guess that's adolescence at it's best

He says "live fast and die young
Forget the past and move on
What's done is done"

He says "live fast and die young
Forget the past and move on
You only live once"

Woa-oh-oh-oh
Woa-oh-oh-oh
Woa-oh-ohohohaha

Keep calm and carry on he's drunk all along
He'll sit with his guitar and sing another song
Then he'll give me a phone

Another Sam call sitting worried in my hall
Will he come tonight before it gets light
Well I guess he might

And I'll just keep calm and carry on
Cause he's drunk all night long
But he'll be home by dawn

I'll keep calm and carry on

Cause he's drunk all night long
But he'll be home by dawn

And he says "live fast and die young
Forget the past and move on
What's done is done"

He says "live fast and die young
Forget the past and move on
You only live once"

Woa-oh-oh-oh
Woa-oh-oh-oh
Woa-oh-ohohohahaha

Woa-oh-oh-oh
Woa-oh-oh-oh
Woa-oh-ohohohahahaoh

What's done is done
